Grilli Type Trial Fonts License Add-On

This is an add-on to the Desktop, Web, and App licenses. All terms of the Grilli Type EULA shall remain in force unless modified by this agreement. The following amendments and alterations to the EULA apply.

1 **Allowed use**

The license exclusively allows the use for testing and trial purposes as well as for paid and unpaid pitches. You may not use the fonts in any final files for any project, commercial or non-commercial.

2 **Students' use**

If you are an actively enrolled student at an accredited learning institution in your country, you may use the fonts in final files as long as the context of the files is of strictly non-commercial and educational nature. You must not use the fonts for portfolios, client projects, or any other such commercial context.

Edition March 2019, future editions subject to change.
